Korean Honorifics Lesson!

Nim - A formal way of addressing someone typically older and/or more respected than you

Ssi - A formal way of addressing someone you do not know or are unfamiliar with

Nuna - A friendly way of addressing an older woman near your age if you're a guy

Hyung - A friendly way of addressing an older man near your age if you're a guy

Unni - A friendly way of addressing an older woman near your age if you're a girl

Oppa - A friendly way of addressing an older man near your age if you're a girl. Oppa is also used (though not synonymously) by girls addressing their boyfriends

Ajumma - Older woman typically aged between mid/late 30's – early 50s. Calling someone younger than mid 30's this is rather offensive

Ajussi - Older man typically aged between mid/late 30's – early 50s. Korean men especially those in their 30s prefer to be called hyung/oppa by those younger than him rather than Ajusshi

Sunbae - Is used to address senior colleagues or mentor figures e.g. students referring to or addressing more senior students in schools

Hubae - Is used to refer to juniors. However, the term is not normally addressed to them directly, and is mainly used in the third person.
This is nearly identical in Japanese with Senpai/Kohai honorifics

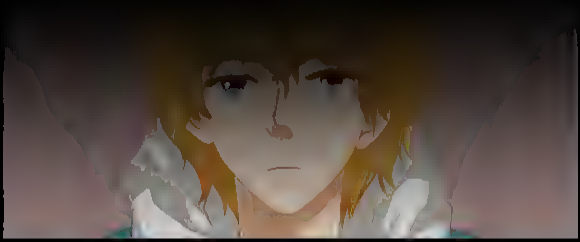
Naeuri - Was used by commoners in the Joseon Dynasty to refer to people of higher status but below "His Excellency"

Seonsaeng - Commonly translated as 'teacher" has much more formality and is used to show respect to the addressee. It is related to the Japanese honorific, "sensei" and shares the same pair of Chinese characters, representing 'mister' or 'one born earlier' (literal)

It's about time you learn them!

I woke up. lying on the cold asphalt.

Then I realised I was alone.



So what?

What about you?

Ah, about that, I was j-just going to say we were going to meet again in ch-chapter 1...

Why is he glaring at me like that?

It's the prologue, kid

On a cold winter's day...
A small story begins.

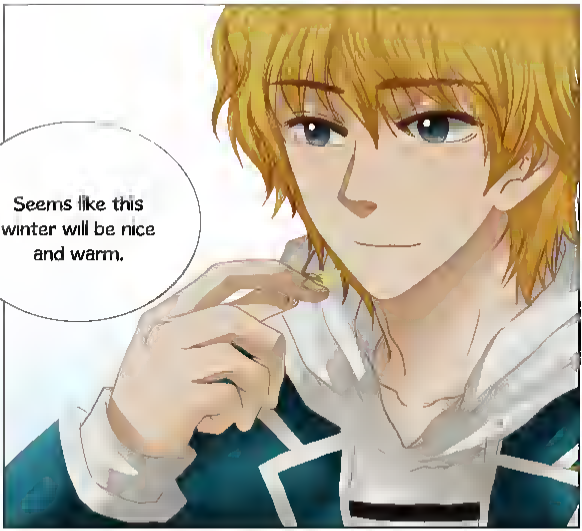
Even when it's freezing cold, there's always an impatient blossom like this one.



Seems like this winter will be nice and warm.

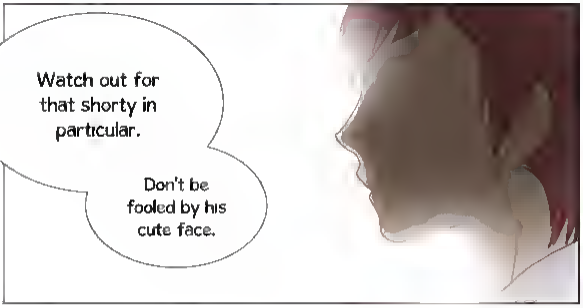
I know this is a hospital but why are those things being thrown?

Oh, I don't know. Those kids stole some equipment to play darts.
What?! We're going to get in trouble...
But it can't be helped.

All of their jokes and games end in disaster.



Watch out for that shorty in particular.
Don't be fooled by his cute face.

He's not a normal teenager.
I don't want to!
I don't want another injection!
But if you don't, it will hurt more.
No way!
Don't be a baby!
But you're going to stick a needle in my bottom again. And I am still a boy...
It's embarrassing...

How cute... He said he's still a boy
It'll help you heal faster! Besides, it's better just to get it over with.
Hmpf, I don't like you anymore... My head hurts.
Does it hurt a lot? I'll tell the doctor—
I sound like a little kid if I speak like that, don't I?

But as I said before...

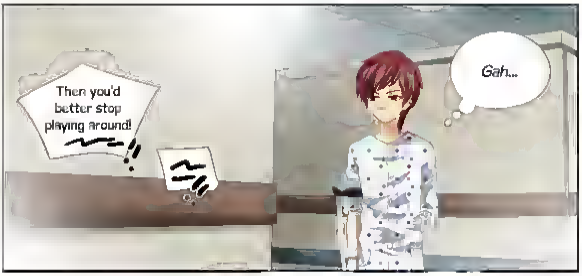
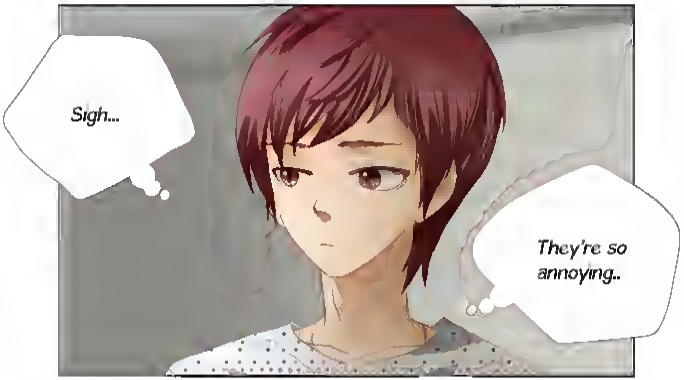
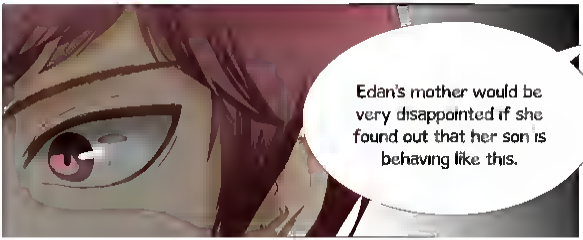
I told you to stop talking about my hair!!
Would you like to sleep outside?
N No



Then you'd better stop playing around!
Gah...



Sigh...
They're so annoying..



Edan's mother would be very disappointed if she found out that her son is behaving like this.

Sfx: Poke, poke

You won't be allowed to move around the hospital anymore if you don't take your daily medication, got it?

Kyaaaaak-!!

Argh!

Edan, you—

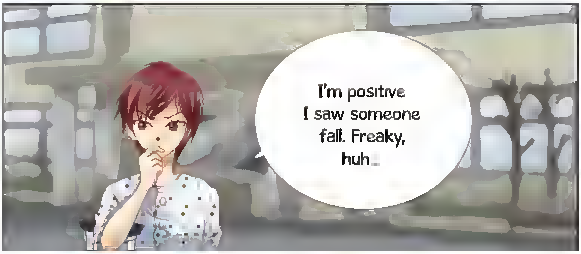
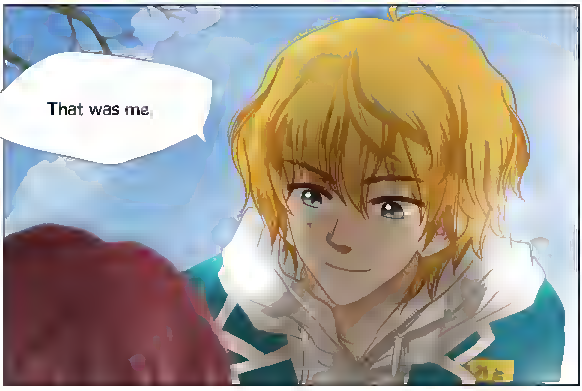
Ah

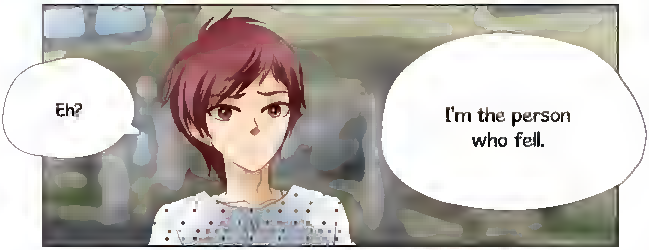
Hyung. May I ask if you've seen anyone fall?



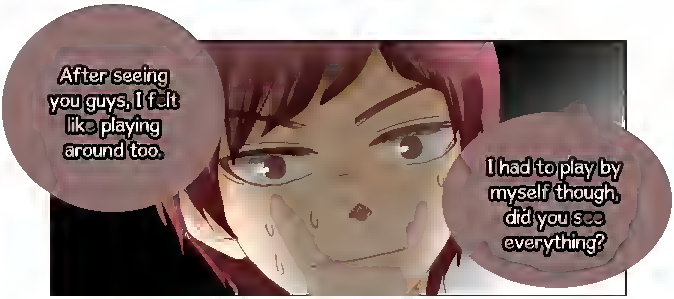
I'm positive I saw someone fall. Freaky, huh.



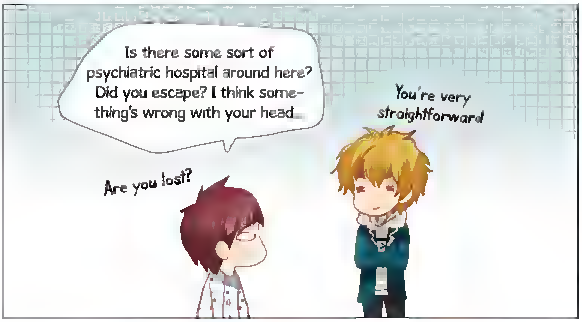
That was me.



Eh?
I'm the person who fell.



After seeing you guys, I felt like playing around too.
I had to play by myself though, did you see everything?



Is there some sort of psychiatric hospital around here? Did you escape? I think something's wrong with your head...
Are you lost?
You're very straightforward

I think there must be something wrong with your head instead.
Eh?
If that wasn't the case, you wouldn't be able to see me.

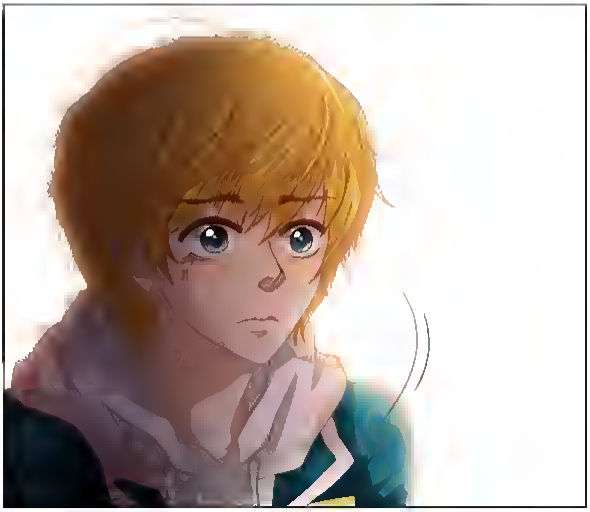
You can't make memories alone

You don't have any memories. Weren't you scared?

Not really?

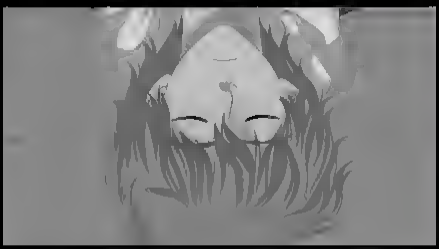
No?
Eh~ It should be scary.

?
Why?



What am I going to do?

Even when I opened my eyes in the middle of the street..



Even when I stayed there for a long time..

Even when I knew I was dead and didn't have any memories I was fine.

In this wide world, I...

Where did Mom and Hyung go?
Would he be on the roof?

I didn't do anything wrong
They're so mean.
lurks

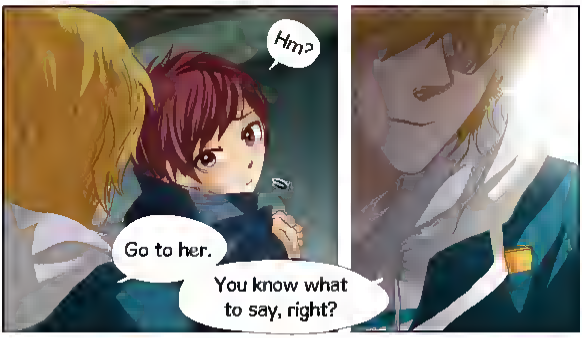
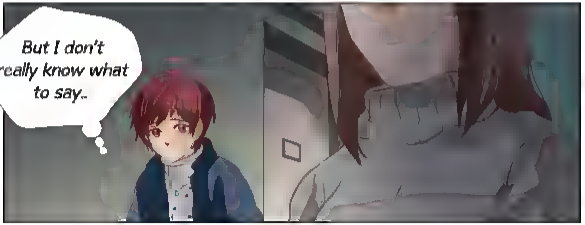
Go ahead.

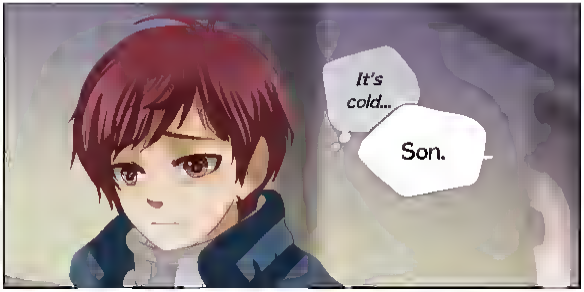


Hm?
Go to her.
You know what to say, right?

Yes
I know



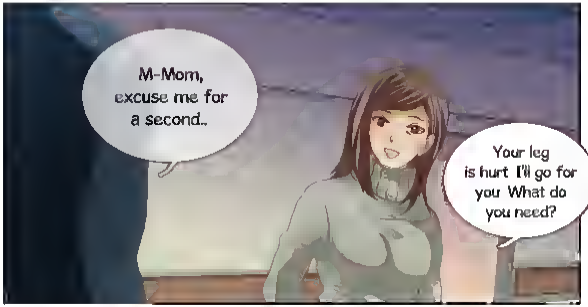
But I don't really know what to say..



It's cold...
Son.

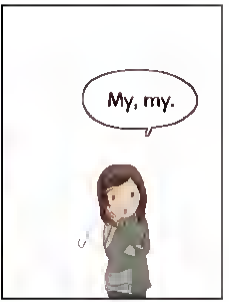
I'm sorry.

What?
I'm sorry about what happened before. Are you shocked?
You're extra-sensitive right now because you're a teenager.
Why?
I'm sorry I was so inconsiderate.
How come?
Surprised? My, my. Why did I do that?

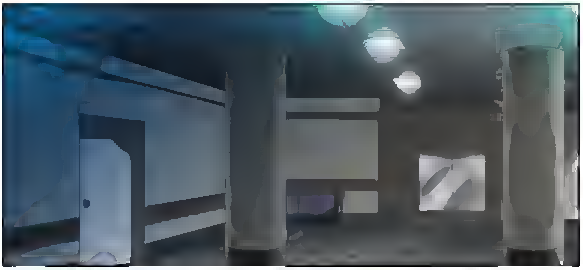


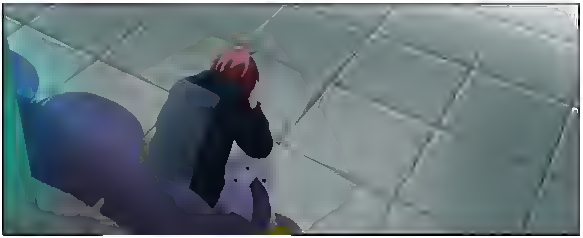
M-Mom, excuse me for a second..
Your leg is hurt I'll go for you What do you need?

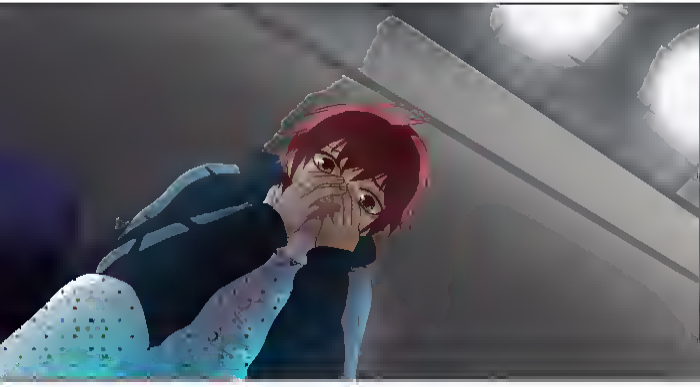
It's fine! I'll be back soon.



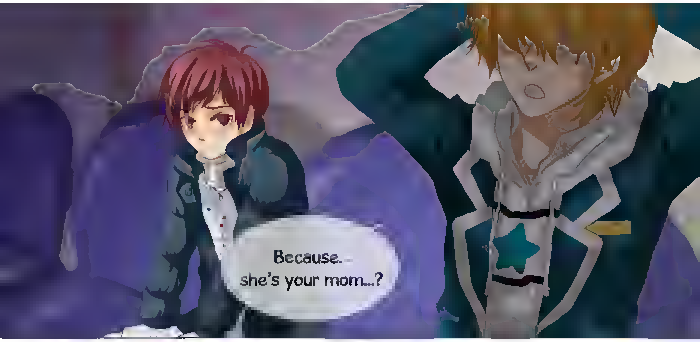
My, my.







Wh-Why is she the one apologizing?
It's weird. All of this is my fault



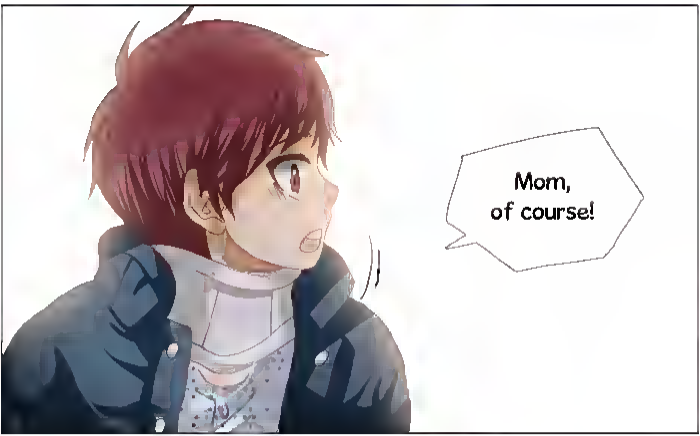
Because... she's your mom...?

Like, awhile ago, she wasn't ashamed of that grandpa's scolding.
She was just distressed that you heard him.

It's funny Even though he doesn't have any memories or know what a real mom is...
I think all moms are like that
....
I can tell she's extremely concerned about you.

pat
pat

I think he's still a little down..
Who do you like the most?



Mom, of course!

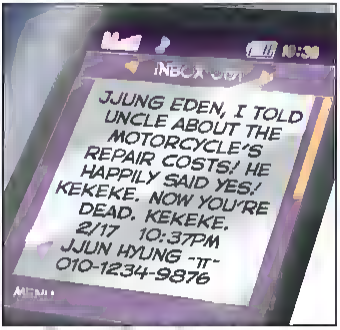
Whose food is the most delicious?

Mom's

With whom do you like going to your favorite places? Who do you think really loves you?

Mom

I don't hate her!
The only reason I act this way is because...
I'm ashamed...
And I'm used to it...



INBOX
JJUNG EDEN, I TOLD UNCLE ABOUT THE MOTORCYCLE'S REPAIR COSTS! HE HAPPILY SAID YES! KEKEKE. NOW YOU'RE DEAD. KEKEKE.
2/17 10:37PM
JJUN HYUNG ~ㅠ~
010-1234-9876

(Note: "Jjung" and "Jjun" is like a nickname between these two to be cute. Their real names are still "Jung" and "Jun". Uncle is referring to Eden's dad. FYI)

So he started this!!!
AAAAAAAAAAAAAAHHHH!!
Hey...hey Even though your mom didn't tell your dad about it, you shouldn't do something like that.
You're not setting a good example for your younger brother! And I'm 10 years younger than you are!

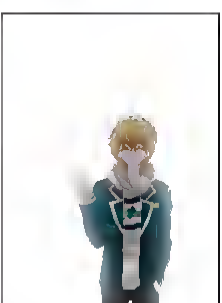
Hyung...
I'm sorry, so please don't be mad

Won't you live with us? It'll be better than being alone.

Eden~.

What are you doing here?
Huh? Why?

Hyung, see you tomorrow!



It's warm

Aren't you cold?
Not really
This is much, much warmer

Mom.

M-Mom

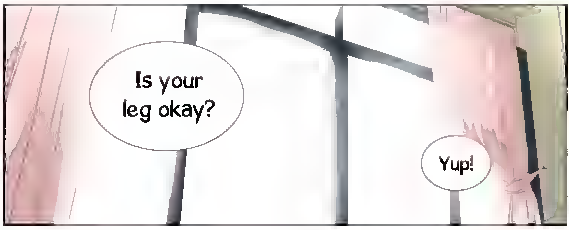
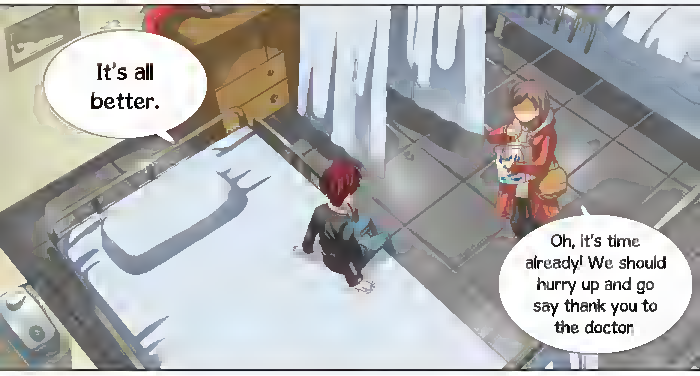
One Winter

Final Chapter

by Maru



Is your leg okay?
Yup!

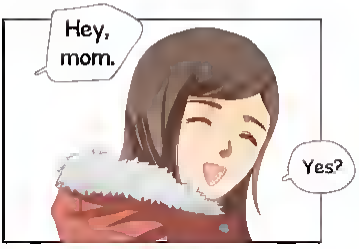


It's all better.
Oh, it's time already! We should hurry up and go say thank you to the doctor

Mmm...I couldn't play with hyung at all yesterday. I didn't even get to see his face
Hmm...
Mom was here the whole time.

Around here
Oh, it's Gion-hyung! So that's where he was!

Eagle eye



Hey, mom.
Yes?

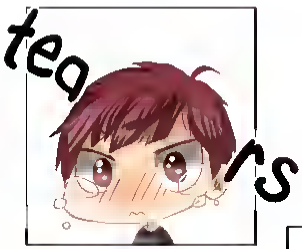
Why don't I have a hyung?
COUGH!!!

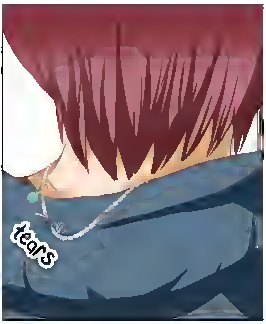
Son~
Did you want a little brother or something?
embarrased♡
I'll talk to dad and we can try...
No, no.

I want a hyung.
What is he saying?
You're mom doesn't have the ability to do that...

I wish Gaon-hyung was my real hyung.
It's so sad that he has to be alone like that

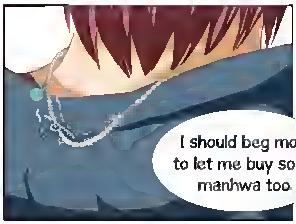
It would be awesome if he was a real person.



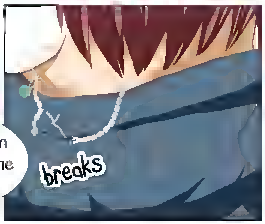


tears

I should teach him how to play games when I get home!



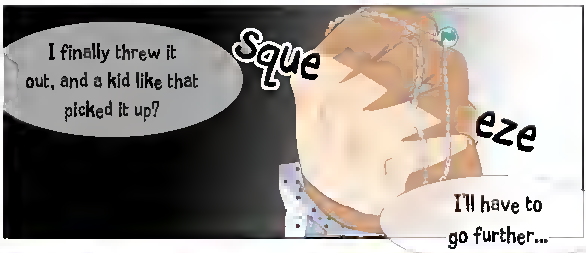
I should beg mom to let me buy some manhwa too.



breaks

I wonder if that one's ended yet
I can also show him around the school~
falls
picks
up

Terrible.
TCH...

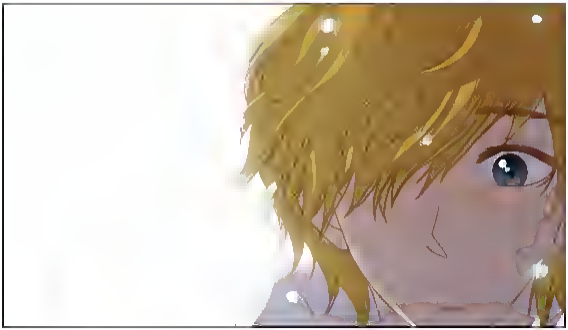


I finally threw it out, and a kid like that picked it up?
Sque
eze
I'll have to go further...

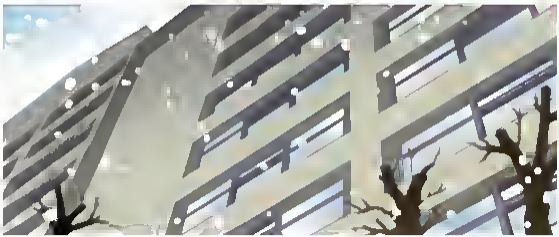
Somewhere different...

Oh, Jung Eden! You're so fast without your cast!

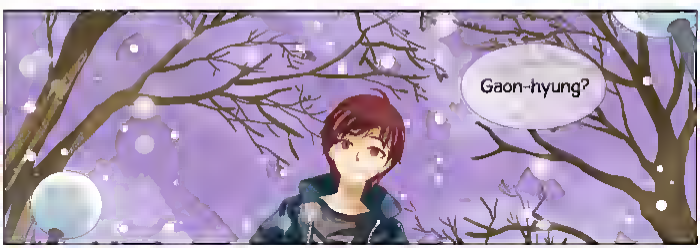
How does it feel to be free?

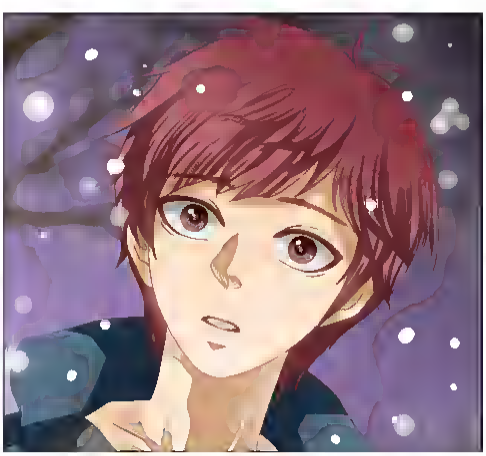


Geon-hyung? Where did he go?

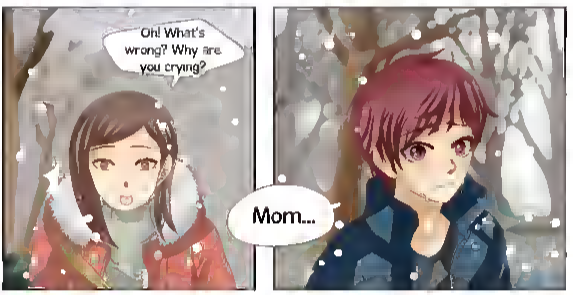


(TN: He added three different titles together: Hyung+nim+a
-a is something you attach after your friends' names.)

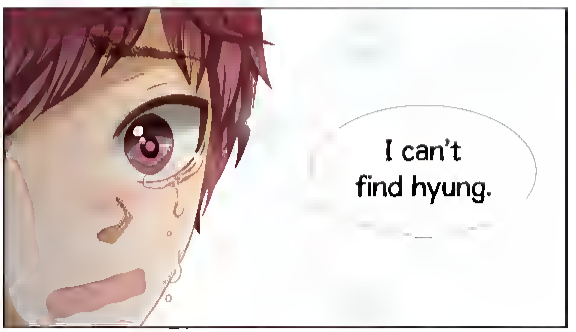




Eden, what are you doing here? You don't even have your muffler!



Oh! What's wrong? Why are you crying?
Mom...



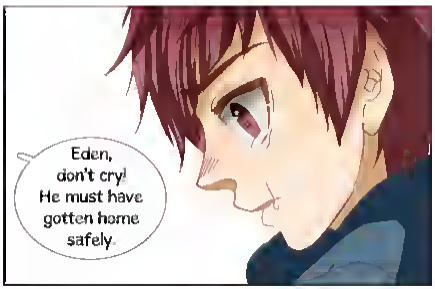
I can't find hyung.

Did he go some-
where far away?

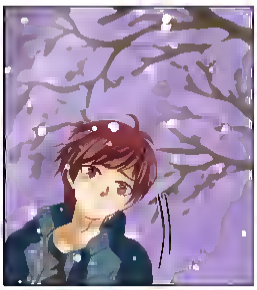
I can't find
him anywhere. Did he
leave safely?

We promised
to play together.

Gaon-hyung
is all alone...

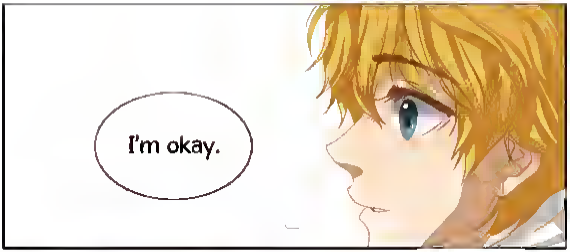


Eden,
don't cry!
He must have
gotten home
safely.



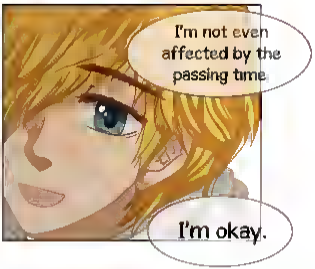
No, I'm wrong. Hyung, you're not alone.
Someone who can recognize you will definitely come.

So...

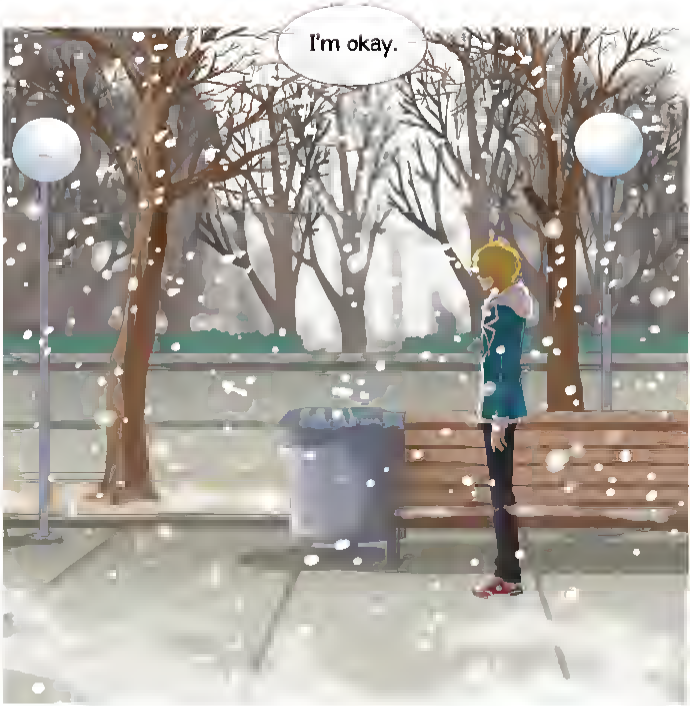


I'm okay.

I'm a man!
I don't need
to cry!



I'm not even
affected by the
passing time.
I'm okay.



I'm okay.

After that

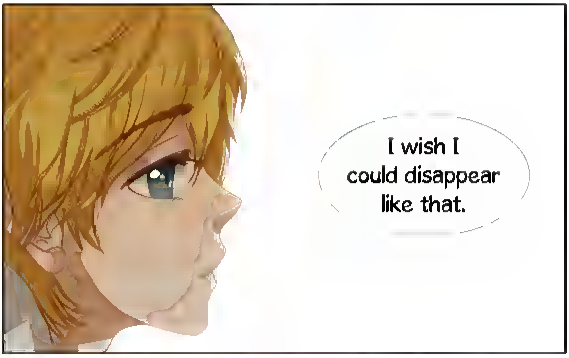
I didn't keep track of how many times it snowed, or how many times the flowers bloomed and wilted.

To me time had no meaning

It's snowing again.
It s snowing sooo
much this year

Oh, it s
still standing
Whoever made
this did a really
bad job.

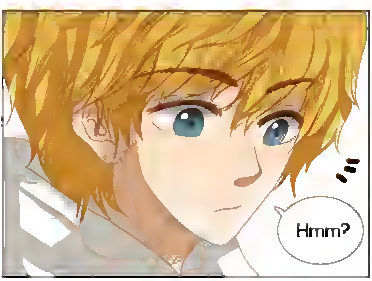
Ah..it melted.



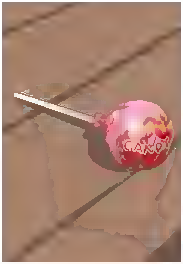
I wish I
could disappear
like that.

But I can't disappear. I probably never will.
Wow, it's snowing again.
Haha

What are those soul reapers up to? Come and take me already!
They're slacking off!!
tap

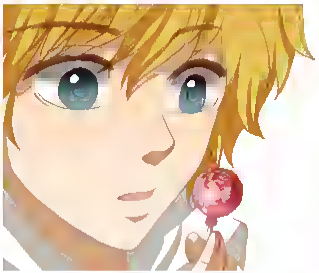


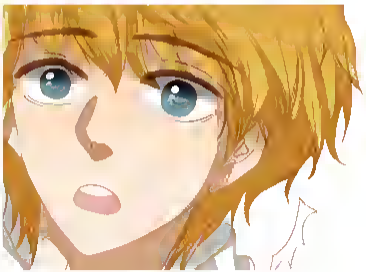
Hmm?



They say
that eating something
sweet makes you
feel better

Whew~
He's not even that old.
But he's so pessimistic





Someone who can recognize you will definitely come.

Excuse me ..

Wait..
Wait a second!
